

# ATOS gets gold!

Monday 27th to Friday 31st of August

Join Disabled People Against Cuts for **The Atos Games** – five days of action against a company that's [sponsoring the Paralympics](#) but wrecking disabled people's lives.

Such shocking behavior deserves gold, so to make your own medal for Atos follow these 'Red Peter' type instructions...

1. Print out pages 2 and 3.
2. Stick each page on strong card.
3. Carefully cut out the medal from page 2.
4. Carefully cut out the ribbon from page 3.
5. Make 2 small holes at the top of the ribbon, thread a piece of string through each one, tying a knot in each.
6. Stick the ribbon to the back of the medal, and strengthen this with tape.
7. If you have your own ribbon, you can use the medal on page 4, cut a slit in the tab to thread it through.

Have fun and wear your medal with pride throughout 'The ATOS games'.

See [www.dpac.uk.net](http://www.dpac.uk.net) for more details.
